It is essential that **you** read **your policy** very carefully.

Information You Have Given Us

In deciding to accept this **policy** and in setting the terms including premium **we** have relied on the information which **you** have provided to **us**. **You** must take care when answering any questions **we** ask by ensuring that any information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with untrue or misleading information **we** will have the right to:

- (a) treat this **policy** as if it never existed;
- (b) decline all claims; and
- (c) retain the premium.

If **we** establish that **you** carelessly provided **us** with untrue or misleading information **we** will have the right to:

- (i) treat this **policy** as if it had never existed, refuse to pay all claims and return the premium **you** have paid. **We** will only do this if **we** provided **you** with insurance cover which **we** would not otherwise have offered;
- (ii) treat this **policy** as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- (iii) reduce the amount **we** pay on any claim in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you**, if **we** would have charged **you** more.

We will notify **you** in writing if (i), (ii) and/or (iii) apply.

If there is no outstanding claim and (ii) and/or (iii) apply, **we** will have the right to:

- (1) give **you** thirty (30) days' notice that **we** are terminating this **policy**; or
- (2) give **you** notice that **we** will treat this **policy** and any future claim in accordance with (ii) and/or (iii), in which case **you** may then give **us** thirty (30) days notice that **you** are terminating this **policy**.

If this **policy** is terminated in accordance with (1) or (2), **we** will refund any premium due to **you** in respect of the balance of the **period of insurance**.

Change in Circumstances

You must tell **us** within fourteen (14) days of **you** becoming aware of any changes in the information **you** have provided to **us** which happens before or during any **period of insurance**.

When **we** are notified of a change **we** will tell **you** if this affects **your policy**. For example **we** may cancel **your policy** in accordance with the Cancellation and Cooling-Off Provisions, amend the terms of **your policy** or require **you** to pay more for **your** insurance. If **you** do not inform **us** about a change it may affect any claim **you** make or could result in **your** insurance being invalid.

Cooling Off and Cancellation

Cooling-Off Period

If, for any reason, **you** feel that this insurance is not right for **you**, **you** are entitled to cancel this insurance by notifying **us** through **your broker or insurance intermediary** in writing, by email or by telephone within 14 days of either the date **you** receive **your policy** documentation or the start of the **period of insurance**, whichever is the later.

Should **you** choose to cancel **your policy** within the 'Cooling-Off Period', **we** will cancel **your** insurance from the start of the **period of insurance** treating this **policy** as if it had never existed. **We** will refund any premium **you** have paid, provided that **you** have not made a claim. Any **policy** fee paid from the start of the **period of insurance** will be refunded to **you** and no **policy** fee will be charged for cancellation.

Your broker or insurance intermediary contact details are shown on **your schedule**.

Cancellation

1. Cancellation of **your policy** by **you**:

You may cancel this **policy** at anytime by notifying **us** through **your broker or insurance intermediary** in writing, by email or by telephone.

Your broker or insurance intermediary contact details are shown on **your schedule**.

2. Cancellation of **your policy** by **us**:

We may cancel this **policy** or any part of it if there are serious grounds to do so by giving **you** 30 days written notice through **your broker or insurance intermediary** detailing the reason for cancellation by recorded delivery to the correspondence address stated on **your schedule**.

We will detail the reason for the cancellation in **our** written notice to **your broker or insurance intermediary**.

Examples of where **we** would cancel **your policy** are as follows:

1. Where Plum Underwriting Ltd has been unable to collect a premium payment following non-payment correspondence issued to **you** or **your broker or insurance intermediary**.
If **you** pay **your** premium to **us** through a direct debit facility, **we** will allow 30 days for the premium to be brought up to date. If **you** fail to do so **we** will cancel from the date at which **you** have paid the relevant premium.
2. A change in the information **you** have previously given **us** where **we** are able to demonstrate that **we** would not normally offer insurance.
3. Unacceptable behaviour by **you** such as abusive behaviour or language, intimidation or bullying of **our** staff or suppliers.

3. Cancellation by **us** following a fraudulent claim:

If **you** make a fraudulent claim under this **policy** **we** will cancel **your policy** from the date of the fraudulent act and **we** will retain 100% of the premium.

4. Premium refund following cancellation of **your policy**:

In the event of cancellation by **you**, **your** premium refund will be calculated as follows:

If **you** cancel after the initial 14 day 'cooling off' period any refund will be on a proportional basis less the **policy** fee and always subject to the **period of insurance** being claim free.

If **you** have made a claim in the **period of insurance** being cancelled **we** will retain 100% of the premium and no refund will be due to **you**.

In the event of cancellation by **us**, **your** premium refund will be calculated as follows:

Any refund will be on a proportional basis and always subject to the **period of insurance** being claim free. If **you** have made a claim **you** will not be eligible for a refund and **you** must pay **us** any amount **you** still owe **us** for the period for which **you** have been insured.

1. Multiple Premises

Each **risk address** included under this insurance is considered to be covered as if separately insured.

2. Your Duty of Care

You must take all reasonable steps to:

- ensure the safety of the **risk address**
- prevent accidents and comply with all statutory obligations and to maintain the **contract works**, machinery, plant and **existing structure** in good condition and repair
- select registered **contractor(s)** who are experienced to carry out the **contract works** they will be undertaking as defined in the **contract**.

3. Fraud Prevention

In order to protect the interests of **our** policyholders and to prevent and detect fraud, **we** may at any time:

- Share information about **you** with other organisations and public bodies including the Police
- Check and/or file **your** details with fraud prevention agencies and databases
- Undertake credit searches and additional fraud searches.

If **you** provide false or inaccurate information and fraud is identified, details will be passed to the fraud prevention agencies and databases to prevent fraud and money laundering.

We can supply on written request to **us** details of the databases **we** access or contribute to.

4. Assignment

You cannot transfer **your** interest in this **policy** to anyone else without **our** written agreement.

5. Other Insurance

We will not pay any claim if any loss, damage or liability covered under this insurance is also covered wholly or in part under any other insurance except in respect of any amount over which would have been covered under such other insurance had this insurance not been effected.

6. Sums Insured

You have an ongoing duty to ensure that **your sum insured** represents the full value of the property insured.

For **your existing structure**, the full value is the cost of rebuilding by a professional third party contractor if **your existing structure** were destroyed (this is not the same as the market value).

'Section 1 – Your Property' automatically provides additional cover for architects, surveyors, consulting engineers, legal and other fees required to reinstate or replace the **risk address** and, clearing debris from the **site** and making the **site** and **risk address** safe up to 15% of the total **sum insured**. If this amount is not sufficient for **your** requirements, **you** must ensure the **sum insured** for **your existing structure** is adequate to include these additional expenses.

Your sum insured for **contents** must be the cost to replace as new.

If, at the time of any loss or damage, the **sum insured** is not enough **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of premium which has arisen as a result of the shortfall in the **sum insured**.

For example, if the premium **you** have paid for **your existing structure** insurance is equal to 75% of what **your** premium would have been if **your existing structure sum insured** was enough to reconstruct **your existing structure**, then **we** will pay up to 75% of any claim made by **you**.

7. Fraudulent Claims

If **you** or anyone acting on **your** behalf makes a claim knowing it to be false or fraudulent in amount or in any other respect **we** will cancel this **policy** from the date of the fraudulent act.

We will seek to recover any payments from **you** which **we** have already made in respect of the fraudulent claim.

This action will not affect any previous claims unless the fraudulent act took place before any previous claims in which case the **policy** will be cancelled from the date of the fraudulent act and therefore no cover exists after this date and **we** will seek to recover any payments from any previous claims which **we** paid **you** on or after the date of the fraudulent act.

8. Non-invalidating

This insurance shall not be invalidated by any act or omission or by an alteration whereby the risk of **accidental damage** is increased unknown to **you** provided that when **you** become aware thereof **you** shall as soon as practically possible give notice to **us**. Any terms, conditions and exclusions applied will be in accordance with **our** usual underwriting that **we** would have applied had **you** been aware and notified **us** of such risk of **accidental damage**. **You** may also be required to pay an additional premium.

9. General Property Management

You must ensure that:

- all gas, water and electricity mains supplies are disconnected if the **risk address** is **unoccupied** other than those required to operate any sprinkler system, fire alarm system or intruder alarm system.
- the **risk address** must be inspected thoroughly internally and externally at least once every 7 days by either **you** or **your** representative to check the premises thoroughly and to carry out any work necessary to prevent **accidental damage** and maintain the security arrangements. A record of all inspections must be kept and made available to **us** on request. An example of an inspection record is included below, along with an example inspection checklist.

Such skips are to be situated at least 5 metres (16 feet 4.85 inches) from any **existing structure** and removed at least weekly from the **risk address**.

10. Risk Management Survey

Where the total of the **existing structure sum insured** and the **contract works sum insured** is greater than or equal to £1,000,000 **we** may speak to **your broker or insurance intermediary** to arrange a mutually agreeable date and time to visit the **risk address** with **you** or **your** representative to undertake a risk management survey free of charge.

We may at **our** discretion offer this service to **you** if **your existing structure sum insured** and **contract works sum insured** is less than £1,000,000. Where **we** do, **we** will speak to **your broker or insurance intermediary** to arrange a mutually agreeable date and time to visit the **risk address** with **you** or **your** representative.

The risk management survey will be conducted by a qualified risk engineer and **we** will insure the **risk address** in accordance with the terms described on **your schedule** from the start of the period of insurance until the date **we** tell **your broker or insurance intermediary** about the results of the risk management survey.

Your broker or insurance intermediary will then write to **you** to confirm that the insurance will continue on the current terms if the risk management survey is satisfactory, or to tell **you** if **we** require **you** to carry out any additional requirements. **Your broker or insurance intermediary** will then tell **you** the timescales within which **you** must carry out any additional requirements. It is a condition under the **policy** that **you** comply with all risk improvement requirements **we** request following any survey within the timescales specified.

If **we** consider the risk management survey to be unsatisfactory, or if **you** do not or will not carry out the stated additional survey risk improvement requirements, **we** have the right with immediate effect to:

- cancel the **policy**;
- alter the premium; and/or
- alter the terms and conditions of the **policy**.

If this is the case **your broker or insurance intermediary** will write to **you** by recorded post to **your** correspondence address shown on **your schedule**. If **you** choose to reject the alterations or **we** cancel **your policy** and **you** have not made a claim, **we** will refund a percentage of the premium based on the number of days left in the **period of insurance**. If **you** have made a claim, **you** will not get a refund and **you** must pay us any amount **you** still owe for the period **you** have been insured for.
