Fire Risk

It is a condition of this **policy** that ALL electrical circuits must be switched off/tripped at the consumer unit.

The intruder alarm system must have its own independent electrical circuit which must be switched on to maintain intruder alarm security whilst leaving the remaining electrical circuits switched off.

If **you** do not comply with the above, **we** will not pay for any loss or damage from fire arising from electrical circuits other than the independent intruder alarm system circuit.

Security of the home

We will not pay any claim for loss or damage from unauthorised entry to the **home** unless the following security protections are fitted:

-Final exit doors must be secured by a mortice deadlock with at least 5 levers or a rim deadlock conforming to British Standard 3621 or, if the door(s) are UPVC or double glazed, a multi-point locking system with either a lever or built-in deadlocking cylinder.

-All other external doors must be secured by a mortice deadlock or a deadlock conforming to British Standard 3621 or by a multi-point locking system with either a lever or built-in deadlocking cylinder or key-operated security bolts fitted internally to the top and bottom.

-All opening sections of the basement, ground floor and easily accessible windows, fanlights and skylights to the buildings secured by key-operated window locks.

We will not pay any claim for loss or damage resulting from unauthorised entry into the **home** unless the security of the **home** is maintained in good working order throughout the **period of insurance** and in full and effective operation.

Inspecting the home

We will not pay any claim for loss or damage unless the **premises** are inspected internally and externally at least once every 7 days by either **you** or **your** adult representative. A record of dates, times and any observations must be recorded in a central inspection record which must be made available to **us** on request.

Additional duties

We will not pay any claim for loss or damage unless **we** are immediately notified should **you** become aware that the condition of the **home** has deteriorated by any means and/or the **home** has been subject to unlawful access or attempted unlawful access of any kind Amended Definitions – words with special meanings

The definition of **unoccupied** is deleted along with all associated cover restrictions as detailed within the policy wording.
