The language of this insurance contract and all communications relating to it will be in English.

### Correct Information and Changes in Circumstances

The information **you** have supplied to **us** on the proposal form, and/or statement of fact and/or any supplementary information, is used to determine whether **we** will accept **your** insurance and if so the premium to be charged and the terms, conditions and exclusions to be applied.

**You** must therefore ensure to the best of **your** knowledge and belief that all the information **you** provide to **us** is correct and accurate at all times.

**You** must immediately notify **us** via **your broker or insurance intermediary** if:

- any information is incorrect
- there is a change in the information **you** have given **us**

**We** will correct or change the information and use the information to determine whether **we** will continue to accept **your** insurance and either:

1. Continue **your policy** unchanged
2. Backdate any terms, conditions, exclusions or additional/return premium that would have applied at the effective date of the correction and/or change. This could result in a claim not be paid under this insurance.
3. Cancel **your policy** giving **you** notice as per the cancellation condition shown in this **policy** wording or on **your policy schedule of insurance**. This could result in a claim not being paid under this insurance.
4. Treat **your policy** as if it never existed

**We** will treat **your policy** as if it never existed and **we** will not pay **your** claim if **you** or **your** representative has:

- deliberately misrepresented any information given

## How to Notify a Claim

To notify a possible claim, please refer to **your schedule** for claims contact details. When notifying a claim, please provide **your** name, **policy** number, the name of **your broker or insurance intermediary** and full details of the loss or damage.

## How We Settle Your Claim

### Buildings

1. If **your** claim for loss or damage is covered under section one, **we** will pay the full cost of repair as long as:
  - the **buildings** were in a good state of repair immediately prior to the loss or damage and
  - the **sum insured** is enough to pay for the full cost of rebuilding the **buildings** in their present form and
  - the damage has been repaired or loss has been reinstated.

2. **We** will pay up to 25% of the cost of replacing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function but no more than the **buildings sum insured** shown in **your schedule**.

## Contents

1. If **you** claim for loss or damage to the **contents** **we** will at **our** option repair, replace or pay for any article covered under section two.

For total loss or destruction of any article **we** will pay **you** the cost of replacing the article as new, as long as:

- the new article is as close as possible to but not an improvement on the original article when it was new; and
- **you** have paid or **we** have authorised the cost of replacement.

The above basis of settlement will not apply to:

- clothes
- pedal cycles

where **we** will pay up to the value of the item at the time of loss or damage.

2. **We** will not pay the cost of replacing or repairing any undamaged parts of the **contents** which form part of a pair, set or suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

## Valuables & Personal Possessions

1. **We** will at **our** option repair, replace or pay for any article lost or damaged.

2. If any insured item which is part of a pair or set and has an insured value of £2,500 or over:

- **we** will not pay more than the proportion that the lost or damaged item bears to the insured value of such pair or set

## Underinsurance

### Buildings

If **you** are under-insured, which means the cost of rebuilding the **buildings** at the time of loss or damage is more than **your sum insured** for the **buildings**, then **we** will only pay a proportion of the claim. For example if **your sum insured** only covers one half of the cost of rebuilding the **buildings**, **we** will only pay one half of the cost of repair or replacement.

### Contents

If **you** are under-insured, which means the cost of replacing or repairing the **contents** at the time of the loss or damage is more than **your sum insured** for the **contents**, then **we** will only pay a proportion of the claim. For example if **your sum insured** only covers one half of the cost of replacing or repairing the **contents**, **we** will only pay one half of the cost of repair or replacement.

### Valuables & Personal Possessions

If the total value of unspecified or specified items at the time of the loss or damage is more than **your sum insured** for such items, then **we** will only pay for a proportion of the claim.

For example if **your sum insured** only represents one half of the total value of unspecified or specified items **we** will only pay one half of the cost of repair or replacement.

However, if **personal possessions** are lost or damaged away from the **home** **we** will not take account of the value of **personal possessions** in the **home** at the time of such loss or damage.

5. **Your** failure to cooperate with **us** in accordance with **our** claims conditions where it affects **our** ability to process **your** claim
6. **You** have been in any way fraudulent
7. **You** have deliberately or falsely overstated information given to **us**

Examples 5, 6 & 7 above are more likely to result in **us** treating **your policy** as if it never existed as detailed under the Correct Information and Changes in Circumstances notice under the 'Your Policy Documentation' section of **your policy**.

3. Premium refund following cancellation of **your policy**:

In the event of cancellation by **you**, **your** premium refund will be calculated as follows:

If **you** cancel after the initial 14 day 'cooling off' period any refund will be on a proportional basis unless **your schedule** states an alternative cancellation condition and always subject to the current **period of insurance** being claim free.

If **you** have made a claim in the **period of insurance** being cancelled **we** will retain 100% of the premium and no refund will be due to **you**.

In the event of cancellation by **us**, **your** premium refund will be calculated as follows:
