To use the facility, you must be resident in the UK, aged 18 years or over and hold a bank or building society account which supports Direct Debit payments. Credit is subject to status. We use Premium Credit Limited to provide finance and we may receive a commission for introducing customers to them.

If you choose to pay by instalments, your personal information and the bank details you provide on the Direct Debit Instruction below will be passed to Premium Credit Limited. In assessing your application for credit they will search the public information that a credit reference agency holds about you. The credit reference agency will add details of the search and your application to their record about you whether or not your application proceeds. This and other information about you may be used to make credit decisions about you and undertake checks for the prevention and detection of money laundering. If your application for credit is accepted, Premium Credit will send you a welcome pack detailing their full terms and conditions and commence collection of your instalments. A credit agreement will be included for you to sign and return. Premium Credit may begin collecting your Direct Debits before you return your signed credit agreement to pay for any insurance cover you are receiving. If you have any questions about your instalments, contact Premium Credit on 0344 736 9836. On renewal of your insurance policy we'll continue to pass your details to Premium Credit unless you instruct us otherwise.
