### Your Policy

**Your policy** sets out clearly what is and what is not covered and to assist **you**, any words with special meanings have been defined and are in bold.

The **policy** sections are:

Section 1 – Your Property

Section 2 – Your Contents

Section 3 – Your Liability as Property Owner

#### Your Policy Documentation

**Your schedule** details which sections are covered and which **underwriter** is providing the cover under each section.

It is essential that **you** read **your policy**, **your schedule** and any **endorsements** that may be applicable very carefully. All these documents must be read together and any word or phrase which has been defined in this **policy** will have that meaning wherever it appears.

#### Correct Information and Changes in Circumstances

The information **you** have supplied to **us** on the proposal form, and/or statement of fact and/or any supplementary information, is used to determine whether **we** will accept **your** insurance and if so the premium to be charged and the terms, conditions and exclusions to be applied.

**You** must therefore ensure using all reasonable care that all the information **you** provide to **us** is correct and accurate at all times.

**You** must immediately notify **us** via **your broker or insurance intermediary** if:

- ANY information is incorrect
- there is ANY change to the information **you** have given **us**
- **contract works** are not starting as planned
- **contract works** are completing earlier than planned
- **contract works** are ceasing for ANY reason

**We** will correct or change the information and use the information to determine whether **we** will continue to accept **your** insurance and either:

- continue **your policy** unchanged, or
- backdate any terms, conditions, exclusions or additional/return premium that would have applied at the effective date of the correction and/or change. This could result in a claim not be paid under this insurance, or
- cancel **your policy** giving **you** notice as per the cancellation condition shown in this **policy** wording or on **your policy schedule**. This could result in a claim not being paid under this insurance, or
- treat **your policy** as if it never existed

**We** will treat **your policy** as if it never existed and **we** will not pay **your** claim if **you** or **your** representative has:

- deliberately misrepresented any information given
- been in any way fraudulent
- deliberately or falsely overstated information given

PLEASE NOTE that as a consequence of **your policy** being treated as if it never existed by **us**, **you** may encounter difficulty in purchasing insurance elsewhere, furthermore failure to have property insurance in place could lead to a breach of the terms and conditions attaching to any loan **you** may have secured on **your** property.

#### Language

Unless otherwise agreed in writing, the language of **your policy** and all communications relating to it will be in English.

## Your Policy

### Choice of Law

### Cooling-off period

If **you** find this insurance does not meet **your** requirements, **you** are entitled to cancel this insurance by writing to **your broker or insurance intermediary** within 14 days of either the date **you** receive **your policy** documentation or the start date of the **period of insurance**, whichever is the later.

**We** will refund any premium **you** have paid, providing that **you** have not made a claim.

### Cancellation

- Cancellation of **your policy** by **us**:  
**We** may cancel this **policy** or any part of it by giving **you** 30 days notice by recorded delivery to the address stated in **your schedule**.
- Cancellation of **your policy** by **you**:  
**You** may cancel this **policy** by giving written notice to **us**.

Premium refund following cancellation of **your policy**:

- In the event of cancellation by **you**, **your** premium refund will be calculated as follows:  
If **you** cancel after the initial 14 day 'cooling off' period, any refund will be on a proportional basis unless **your schedule** states an alternative cancellation condition and always subject to the current **period of insurance** being claim free.

If **you** have made a claim in the **period of insurance** being cancelled, **we** will retain 100% of the premium and no refund will be due to **you**.

- In the event of cancellation by **us**, **your** premium refund will be calculated as follows:  
Any refund will be on a proportional basis unless **your schedule of insurance** states an alternative cancellation condition and always subject to the current **period of insurance** being claim free.

## General Conditions

The following conditions apply to all sections of this **policy**. Additional conditions are shown in the sections to which they apply.

### 1. Assignment

**You** cannot transfer **your** interest in this **policy** to anyone else without **our** prior written agreement.

### 2. Discharge of liabilities

**We** may, at **our** discretion, in respect of any claim covered by this **policy**, pay to **you** the **sum insured** or **limit of indemnity** applicable (or the balance of this amount not yet paid to **you**), or any lesser amount for which the claim can be settled. On payment of this sum, **we** will be under no further liability other than for costs and expenses incurred prior to the date of this payment for which **we** are responsible.

### 3. Disputes

If any difference shall arise as to the amounts to be paid under this **policy** (liability being otherwise admitted) such difference shall be referred within twelve months of the dispute arising to an arbitrator who will be jointly appointed in agreement of failing agreement appointed by the President for the time being of the Incorporated Law Society of Ireland. If the dispute has not been referred to arbitration within the aforesaid twelve month period then the claim shall be deemed to have been abandoned and not recoverable thereafter.

### 4. Interpretation

For the purposes of this **policy**, proposal shall mean any completed or partially completed form or questionnaire and declaration and any information in connection with this insurance supplied by **you** or on behalf of **you**.

This **policy** and the **schedule** shall be read together as one document and any word or expression to which a specific meaning has been attached in any section of this **policy** or of the **schedule** shall bear such specific meaning wherever it may appear.

### 5. Joint insureds

The most **we** will pay is the relevant **sum insured** or **limit of indemnity**. If there is more than one of **you**, the total amount **we** will pay will not exceed the amount **we** would be liable to pay if there were only one of **you**.

Each of **you** must at all times preserve and enforce the various contractual agreements entered into by **you** and **your** contractual remedies in the event of loss or **damage**.

### 6. Fraud Prevention

In order to protect the interests of **our** policyholders and to prevent and detect fraud, **we** may at any time:

- share information about **you** with other organisations and public bodies including the Police
- check and/or file **your** details with fraud prevention agencies and databases
- undertake credit searches and additional fraud searches

If **you** provide false or inaccurate information and fraud is identified, details will be passed to the fraud prevention agencies and databases to prevent fraud and money laundering.

**We** can supply on written request by **you** details of the databases we access or contribute to.

If a claim is fraudulent in any respect this insurance will be cancelled by **us** from the date of the fraudulent claim.

### 7. Non-invalidation

This insurance shall not be invalidated by any act or omission or by an alteration whereby the risk of **damage** is increased unknown to **you** provided that when **you** become aware thereof **you** shall immediately give notice to **us**.

Any terms, conditions and exclusions applied will be in accordance with **our** usual underwriting that **we** would have applied had **you** been aware and notified **us** of such risk of damage. **You** may also be required to pay an additional premium.

### 8. Premium payment

**We** will not make any payment under this **policy** unless **you** have paid the premium and the premium has been accepted by **us**.

## General Conditions

### 9. Your duty of care

**You** must take all reasonable steps to

- ensure the safety of the **risk address**
- prevent accidents and comply with all statutory obligations and to maintain the **contract works**, machinery, plant and **existing structure** in good condition and repair
- select **contractor(s)** who are experienced to carry out the **contract works** they will be undertaking as defined in the **contract**.
- remedy any defect or danger as soon as it is discovered and take any necessary precautions
- to prevent any circumstances arising or cease any activity which may give rise to a claim under the **policy**

If **you** do not, **we** will not be liable to pay any related claim.

### 10. Under-Insurance - Average

Cover under Section 1 and Section 2 is subject to the application of average. If the cost to replace or reinstate under Section 1 and/or Section 2 is, at the time of any loss, greater than the declared **sum insured**, **you** will only be entitled to recover the same proportion of the loss as the **sum insured** bears to the total cost of replacement or reinstatement, subject to the terms, conditions and exclusions of this **policy**.

### 11. Access

**You** will give **us** access to the **risk address** at all reasonable times.

### 12. Possession

**We** will be entitled, without incurring any liability under the **policy** to:

- enter any building or premises where **damage** has happened and take and keep possession of the damaged property
- deal with salvage in any reasonable way

But no property can be abandoned to **us**.

If **we** elect to reinstate or replace any property, **you** must, at **your** own expense produce any plans, documents or information as **we** may reasonably require. **We** will pay for any reasonable expenses **you** incur in providing **us** with this as part of **your** claim. **We** are not bound to reinstate exactly or completely but as well as circumstances permit and in a reasonable sufficient manner.

### 13. Our Rights

**You** must at **our** request, take and permit to be taken, all reasonable steps for enforcing **our** rights against any other party before or after **we** have settled **your** claim.

**We** will not pursue rights against any **contractor(s)** or subcontractor to the extent that a waiver of subrogation is required by the **contract**.

### 14. Transit Loss Sharing

All goods must be inspected by **you** on arrival at the site for evidence of **damage**. If the goods are found to be **damaged**, this should be reported to the transit insurers.

If goods are left packed and **damage** is not discovered until they are unpacked it will be assumed that **damage** happened during transit unless there is clear evidence that the **damage** could only have happened after expiry of the transit insurance.

If however no clear evidence can be presented as to when the **damage** was caused the settlement of the loss will be shared equally between the transit insurance and this **policy**.

### 15. Munitions of War

It is noted that "General Exclusion – War" will not apply to **damage** to the **risk address** from or occasioned by the detonation of munitions of war in or about the **risk address**, providing that the presence of the munitions is not the result of a state of war at the time of the **damage**.

## General Conditions

### 16. Premium Adjustment

If the premium under this **policy** has been calculated (wholly or partly) on estimates furnished by **you**, **you** must keep proper records containing all relevant information and **we** must be allowed to inspect them at all reasonable times. When the **contract** completes **you** must provide **us** with the final **contract** value, which **we** will use to calculate any premium adjustment due to **us**. **You** will then pay any additional premium (or **we** will refund premium as the case may be) within 14 days of **our** submitting **our** calculation thereof.

In providing the final **contract** value to **us** **you** must include:

- The value of any materials and equipment used in the **contract**
- Professional fees incurred in the design and construction of the **contract**
- Irrecoverable VAT
- **Free issue materials**

### 17. Security

**We** will refuse to pay a claim should **you** not ensure that the security protections declared to **us** are in full and effective operation whenever the **risk address** is left unattended.

### 18. Stamp Duty

Stamp Duty has been or will be paid to the revenue Commissioners in accordance with Section 5 of the Stamp Duties Consolidation Act 1999.

### 19. Monies payable by us

All monies which become payable by **us** under this **policy** shall, in accordance with Section 5 of the Insurance Act 1936 and Regulation 58 of the European Communities (Non-Life insurance) Framework Regulations 1994, be payable and paid in the Republic of Ireland.

## Claims Conditions

The following conditions apply in the event of a claim. Additional conditions are shown in the sections to which they apply.

### Your duty when you have a claim

In the event of a claim or possible claim under this insurance **you** must:

- 1) notify **us** as soon as reasonably possible giving full details of what has happened
- 2) provide **us** with written details of what has happened within 30 (thirty) days and provide information **we** may reasonably require
- 3) immediately forward to **us**, unanswered, if a claim for liability is made against **you**, any written claim, writ, summons, notice of intended prosecution, pre action, protocol letter or other legal document you receive
- 4) inform the police as soon as reasonably possible following malicious acts, violent disorder, riots or civil commotion, theft, attempted theft or lost property
- 5) not admit liability or offer or agree to settle any claim without **our** written permission
- 6) **you** must provide **us** with reasonable evidence of value or age (or both) for all items involved in a claim
- 7) **you** must not abandon any property to **us** without **our** written permission

### How we deal with your claim

**We** may take responsibility for conducting, defending or settling any claim in **your** name and take any action **we** consider necessary to enforce **your** rights or **our** rights under this insurance.

**We** will not pay any claim if any loss, **damage** or liability covered under this insurance is also covered wholly or in part under any other insurance except in respect of any excess beyond the amount which would have been covered under such other insurance had this insurance not been effected.

If **you**, or anyone acting on **your** behalf makes a claim knowing it to be false or fraudulent in amount or in any other respect, this insurance will be cancelled by **us** from the date of the fraudulent claim and all claims shall be forfeited.
