

FLEX

Flex is designed to provide a solution for brokers finding it difficult to place, or renew home insurance for their client's home and possessions.

UK Non Standard Home
Insurance Policy

2017

Based on the Lloyds of London approved home insurance wording with a range of cover enhancements, it caters for a wide range of nonstandard risks.

Appetite

Our approach is to provide cover for clients who require flexibility in the underwriting due to "non-standard" elements to their individual circumstances. These include, but are not limited to:

- Non-standard construction
- Subsidence history/under pinned properties
- Declined, refused or cancelled insurance
- Non-standard occupations
- Irregular occupancy
- Claims history
- Convictions
- Bankruptcy
- Flood
